Women's Leadership, Global Growth, and Legacy

Estrategic partnerships- 2026

About us

Empodera Global is an elite international platform dedicated to connecting women to their next level of positioning, leadership, and legacy.

Founded by **Rosa D. Pires**, the organization acts as a bridge between individual potential and global impact, operating in 9 countries: **France, Brazil, the United States, Angola, Portugal, Sweden, England, Luxembourg, and Austria.**

What sets us apart is the **MAE (MSE) Method** (Mindset, Self-Esteem, Spirituality, and Expansion) – a proprietary methodology that integrates neuroscience, NLP, and emotional intelligence to transform female leaders into memorable authorities in their respective fields.

What we offer

We offer a comprehensive development and visibility ecosystem for women seeking excellence and for companies wishing to foster female leadership:

- ✦ **EmPodera Mentoring:** a high-performance premium program focused on restructuring beliefs and expanding authority.
- ✦ **Talks and Conferences:** high-impact corporate interventions focused on emotional intelligence, leadership, and equity.
- ✦ **International Events:** exclusive immersions in influential global centers (Empodera Global Experience).
- ✦ **Editorial Platform:** *Empodera Essence Magazine*, an internationally authoritative magazine that gives voice and face to the female legacy.

Partnership value

The partnership with Empodera Global allows your company to position itself at the forefront of global women's empowerment, reaping immediate strategic benefits:

Branding with Purpose

Direct association with a prestigious international movement dedicated to the advancement of women.

ESG

Concrete support for gender equity and inclusive leadership initiatives.

Elite Networking

Access to an ecosystem of female executives and influencers at global events.

Editorial Presence

Strategic presence in Essence Magazine, reaching a qualified audience.

Partnership value

Rosa D. Pires is the driving force behind Empodera Global. An emotional intelligence therapist, mentor, and international speaker, Rosa has dedicated the past decade to decoding the mechanisms of success and female leadership.

Prior to that, she accumulated **over 18 years** of entrepreneurial experience in sectors such as: direct sales, health, wellness, and premium products – a background that gave her a realistic and pragmatic view of the market.

As the creator of the MAE Method, her vision is clear: to elevate women to the level of being memorable, ensuring their success is sustainable and their legacy eternal.

"The world already has ordinary women.
Now it's time for unforgettable women."

– **Rosa D. Pires**
