Rosa D. Pires
TERAPEUTA E MENTORA

With more than 18 years of entrepreneurial experience and over a decade dedicated to women's development, she has built a professional journey that brings together market experience, human development, emotional intelligence and professional positioning.

Her work is particularly focused on women who already have knowledge, experience and a professional journey, but recognise that they are not yet occupying the professional space their capabilities allow.

What is Empodera Global

Empodera Global is an international ecosystem for women's development, professional positioning and expansion, founded by Rosa D. Pires.

Through mentoring, international experiences, content, education and strategic connections, it creates pathways for women who already have knowledge, experience and a professional journey to recognise their value, strengthen their professional identity and expand their possibilities.

At the heart of this ecosystem is the **M.A.E. Method**

Strategic Foundations

Our work is grounded in the **MAE (MSE) Method**, a proprietary methodology created by **Rosa D. Pires** that integrates tree fundamental pillars for holistic female development

M — Mindset

Mindset to choose - Awareness of beliefs, patterns, blocks, fears, vision and decisions that may influence how a woman positions herself and navigates her professional life.

S — Self-Esteem

Self-Esteem to sustain Recognition of value, professional identity, confidence, self-worth, positioning and authority.
